West End Qld 4101

Dear Paula

I would like to thank you very much on behalf of the conference organising committee for your contribution to our very successful 2004 C&K Brisbane Early Childhood Conference, "Early Childhood is Early Intervention".

Your invoice has been forwarded on to our accounts department for their urgent attention.

Evaluations indicated that participants felt very enthusiastic and gained valuable knowledge from your keynote speech and would have appreciated even more time spent on the subject.

Thank you once again.

Kind regards

Jan Cullen
