Dear Paula,

On behalf of Reconnexion I would like to thank you for taking the time out of your busy schedule to come and present at our anxiety and depression conference 'Planting the seed for effective Change'.

The conference was an outstanding success with many participants commenting that it was the best conference they had ever attended. From the evaluations it was noted that participants enjoyed the diversity of topics, excellence of presenters, and found the focus on clinical application very helpful for their practice.

Participants found your session extremely valuable and are looking forward to hearing more about Pathways in the future. Thank you once again for helping make the Reconnexion conference such an important event for practitioners working with anxiety and depression.

It was lovely to finally meet you Paula, hopefully we will be able to work more closely with you in the future.

Warm regards

Janet Haynes
Education and Training Manager
